

WINTEC SECONDARY SCHOOL SCIENCE TEACHER/EDUCATOR/ COMMUNICATOR AWARD

ENTRY FORM

The aim of this award is to recognise a major contribution toward encouraging and promoting an understanding and appreciation of science to the Waikato wider community, including secondary school students.

Criteria

- The award will be based on science curriculum materials, science learning tools, or effective science pedagogy, that have led to outcomes in the science community.
- It is expected that the educator/communicator will have demonstrated the ability to share their skills and knowledge to colleagues through presentations in or outside their educational institute. This marks a contribution to the professional development of colleagues.
- The ability of the science educator to demonstrate a commitment to the encouragement of his/her students to develop the science, technology and communication skills.

Note. This award is judged using national/international benchmarks by a group of peers.

Eligibility

- To be eligible the science education/communication must have contributed significantly in some way to the Waikato region (defined as the area in and around the Waikato River Catchment).
- The nominee must have performed or directed the work described. (There can be one or two persons as one nomination)
- The nominee must have recognised qualifications relative to the award being sought. A relevant science or education qualification is required.
- The recipient must agree to give a nominated lecture or presentation to a school or general audience if requested.
- The recipient must be prepared to interact with appropriate news media to publicise the achievements on which the award is based and science in general.
- The winner does not have to be a New Zealand citizen or resident.
- Previous runners-up in this award category are encouraged to reapply and may re-submit work already submitted for consideration in past years.

The nominee can be self-nominated or nominated by another party who is familiar with the educator's work. If the educator is being nominated by another party, that party must be confident all eligibility criteria can be met, including the nominee's willingness to be available for public and media interaction as per the above.
